

# Today I am wealthy...

Today I will spend some time thinking of what I will do with my abundance.

Today I feel wealthy. I know my desires are heard. I rejoice in all the fun and peace I can create with my abundance.

Today I choose to feel my wealth. I ask myself "How is my life different with my abundance? What do I want to do? Where do I want to go? What do I want to create?"

Today I see the truth. I am wealthy. I am free to create whatever I desire. I am a creator.

Today I think about the limitless abundance of the Universe, waiting to materialize into my experience.

Today I desire wealth, and first, I feel my wealth. What does wealthy feel like?

Today I am free. I am peaceful. I am safe and secure. I am full of ideas, and I thrill as they come into being.

Today I am wealthy. I invite wealth into my experience.

Today I am creating my abundant tomorrows.

Today, I feel wealthy, I feel joyful. I know the secret.
